

SCOUT[®] REPORT

News and Views on Surgical Guidance
and Breast Tumor Localization

Our Commitment. Our Promise. Breast Cancer Awareness Month 2020

Merit Medical is committed to reducing the burden that cancer places on patients and their loved ones. To further demonstrate this commitment, Merit is partnering with Breastcancer.org, an organization dedicated to educating and empowering people with breast cancer.

Throughout the months of September and October 2020, [Merit will donate \\$1,000 to Breastcancer.org for each SCOUT console sold worldwide that exceeds monthly goals.](#)

Like Merit, BreastCancer.org is committed to the mission of reducing the burden breast cancer places on patients and their loved ones. Faith Smith is one of those patients and she recalls when her biopsy came back positive. At the encouragement of her daughter, she sought a second opinion. [Read here](#) how SCOUT had a positive impact on her breast cancer journey.

Throughout the current healthcare crisis, [Merit's SCOUT technology](#) has helped to effectively manage breast cancer care, streamline workflow processes, and minimize both patient and physician exposure during COVID-19.

"Surgery is not the same everywhere – you need to research your options and find physicians and facilities offering the newest technologies and who are willing to be advocates for the patient."

- Faith Smith, Breast Cancer Survivor

SCOUT Recognized for Value Creation by Premier Inc.

Merit Medical announced that it is a winner of the [Supplier Horizon Award](#) from Premier Inc., a leading healthcare improvement company.

One of only 20 suppliers out of 1,400 to receive awards this year, Merit was recognized for its oncology division's support of Premier members through exceptional local customer service and engagement, value creation through clinical excellence, and commitment to lower costs. [READ MORE >>](#)

"Merit Medical supports Premier members by offering valuable products and services that help to lower supply chain costs and improve operating efficiencies," said David A. Hargraves, Senior Vice President, Supply Chain, Premier. "We're honored to recognize them as a Horizon Award recipient."
