News and Views on Surgical Guidance  
and Breast Tumor Localization

## Breast Cancer Awareness Month

Merit Medical is on a mission to reduce the burden that cancer places on patients and their loved ones.

This October, Breast Cancer Awareness Month, we are proud to partner with **Living Beyond Breast Cancer**, a non-profit organization whose mission is to connect people with trusted breast cancer information and a community of support. The LBBC fund specializes in providing underserved communities

direct access to care via financial assistant grants. We are excited to be the first and only surgical oncology company to partner with Living Beyond Breast Cancer.
